Transmittal to US Aircraft Companies of Notice of Reported
Soviet Display of Turboprop Transport at Paris Air Show

1. A recent Soviet news release announced a new four-engine turboprop transport aircraft, called the Ukraina, which is reported to be capable of carrying 84 passengers plus 7,000 pounds of cargo. Reportedly, this aircraft is to be shown at the 22nd Paris Air Show, Society of French Aircraft Constructors, Le Bourget Airport, Paris.

2. It is requested that the [REDACTED] notify the following aircraft companies of the reported Soviet display:

25X1A8a

- a. Douglas Aircraft Co., Inc.
- b. Fairchild Aircraft Division
Fairchild Engine and Airplane Corp.
- c. Lockheed Aircraft Corp.

3. The above companies are producing turboprop aircraft and may be interested in sending representatives to the air show.
